Thakur College of Science and Commerce

Department of Information Technology

Suggested format for project report T.Y B.Sc. IT Semester-V

Format in Project Report:

- Cover page
- Certificate from College
- Main report

1. Introduction

a. Background and Motivation of the Project
b. Objective and scope of the project
c. Problem Definition
d. Limitations

2. Requirement Analysis

a. Users requirements/SRS/ Functional Requirements
b. Feasibility Study
c. details of hardware and software used
d. Proposed System and Advantages of Proposed System

3. Project planning:

a. List of activity/ Task
b. Timeline for each task
c. Gantt Chart, Activity Network Diagram
d. Resource Planning
e. Proposed Software Development Model for the project
f. Using Project Management Tool Jira

4. Software / Hardware Modules

(Description of module and individual work justification)

5. System analysis and design (Software Projects)

a. Context Diagram
b. DFD, ERD**, Class** Diagram, State Transition Diagram
c. Use Case Diagram
d. Architecture Design
e. Activity, Component, Collaboration
f. Table Design
g. Architecture/ Deployment Diagram

OR

5. System analysis and design (Hardware Projects)

a. Detailed life cycle of the project
b. Circuit Diagram
c. Component level description and Specifications
d. Architecture Design
e. Block Diagram

6.. System implementation and Methodology

a. Development Methodology
b. Technologies Used
c. Algorithms / Techniques Used
d. Module-wise Implementation
e. Database Implementation
f. User Interface Design
g. Important Code Snippets

(Few Screen Shot and related explanation- maximum 5-6 pages)

7. System Testing

a. Testing Strategy
b. Testable Unit
c. Test Case Design with reference of Respective Project
d. Test Approach
e. Test Result and Validation

8. Results and Discussion

a. System Output
b. Result Analysis
c. Performance Evaluation

9. Cost and benefit analysis and Software Parameter Estimation.

a. Effort Estimation
b. KSLOC Analysis
c. FP Analysis

10. Conclusion and Future Scope

a. Achievements of the Project
b. Conclusion

(Dr. S. K. Singh)
